

## Maude Kerns Supply List

Instructor: Hannah Becker

Class: Landscapes in Watercolor

This is a beginning class so student-grade supplies will work just fine.

### Paint

I like using Winsor Newton for Watercolors and their Cotman line are their beginner tubes. So they're not too expensive. I also use the Cotman pocket sketchers watercolor set of 12. It has a large range of the colors we use for earth tones and it's in a small box set you can take on the go.

Colors you should purchase for our class

- Lemon yellow
- Cadmium yellow
- Yellow ochre
- Viridian hue
- Ultramarine Blue
- Cadmium red.

### Pencils

#### Fine Line Sharpie

#### Artist masking tape

### Brushes

A variety of watercolor brushes in small medium and large sizes. A general variety pack of 6 rounded and flat edge brushes will work great. Artist Loft has great starter packs.

### Watercolor paper

9x12 watercolor pack by Strathmore is a great starting point. Cold press is great for beginners and has more texture.

### Paint Palette

You can use one while in the studio. The benefit to having your own is when you have a good color that you have mixed, you can add water again to it and reuse it.
